

R & D

WHITE BLEND VINTAGE 2015

R&D: 1. 'Research and Development'; 2. The process of testing and analysis employed by the Triggs family in the development of their estate winery; 3. A tribute to our Proprietor Don and his twin brother Ron who showed the same investigative spirit growing up in rural Manitoba; 4. A rich, perfumed white blend of exceptional quality from the estate's three vineyard Benches.

TASTING NOTES: Initial investigation into this Burgundian and Aromatic varietal blend shows perfumed aromas of honeysuckle, peaches, and tangelo citrus fruit. Subsequent random sampling reveals a richly textured, full-bodied wine with bright lemon and mango flavours. The vibrant finish suggests another glass should be poured. For research, of course.

PAIRS WELL WITH: A summer evening bike ride and picnic with your one and only; Going for sushi on a first date and regretfully realizing that you don't know how to use chopsticks; Boisterous Sunday dim sum with the visiting out-of-town guests; Reconnecting over Vietnamese salad rolls and satay skewers with a long, lost BFF; Guinea pigging a new crab cake recipe on some friends and hitting it out of the park.
