100% Malbec		Okanagan Valley	Arise Vineyard	
Residual Sugar		Titrateable Acidity	pH	ALC
.12 g/L		4.12 g/L	3.8	13.9%

Vintage Conditions & Winemaker Notes

100% Malbec from Arise vineyard. We selected the fruitiest block of Malbec. It was harvested by hand at the beginning of October. For this Malbec whole grape clusters were fermented in a sealed tank with carbon dioxide, extracting intense fruit flavors and color without harsh tannins.

Tasting Notes

Always nice dark color with Malbec, and purple rim. Powerful fruity nose, it's a real mixture of intense dark fruit such as blackberry and blueberry, and a hint of violet flower. Very easy to drink with a juicy mouth, it feels like biting into fruit. The peppery note gives freshness to this festive fruity wine.

Food Pairing

Perfect pairing with a charcuterie board, a game-day barbecue or a beef tartare.
