

R & D

ROSÉ BLEND VINTAGE 2016

R&D: 1. 'Research and Development'; 2. The process of testing and analysis employed by the Triggs family in the development of their estate winery; 3. A tribute to our Proprietor Don and his twin brother Ron who showed the same investigative spirit growing up in rural Manitoba; 4. A fresh, elegantly styled rosé of exceptional quality from the Golden Mile Bench.

TASTING NOTES: Initial investigation into this lightly coloured Merlot, both Cabernets and Malbec rosé blend shows savoury aromas of ripe citrus and wild strawberry patch. Subsequent random sampling reveals a succulent, creamy textured wine with integrated clementine and red berry flavours. The vibrant finish suggests another glass should be poured. For research, of course.

PAIRS WELL WITH: Barely escaping the heatwave with a watermelon, feta, mint and olive salad on the balcony; Homemade pesto-making on date night with the fresh basil you bought at the farmer's market; Noisily celebrating a big promotion with the whole family at your favourite BYO Tandoori house; Tuesday night blackened prawns, clementine salsa and friends, all brought together for no reason in particular.
